Utkarsh Gupta

Contributor with expertise in Data Science and LLMs
Sonbhadra, Uttar Pradesh, India

Summary

I'm Utkarsh Gupta, a BTech Computer Science student at LNCT Group of Colleges, passionate about AI, ML, and web development. I love exploring how technology can solve real problems and bring ideas to life through code.

I actively participate in hackathons, hands-on projects, and IoT experiments to keep learning and improving my skills. Always curious and open to collaboration, I enjoy connecting with people who share a passion for innovation and tech.

Experience

GirlScript Summer of Code
Contributor
November 2024 - January 2025 (3 months)
